### Community Update - Central Park Court Improvement Project

The District was recently awarded an Arapahoe County Open Space Standard Grant in the amount of \$300,000. The District intends to utilize these grant funds, in addition to money the District has specifically budgeted for this project, to make certain improvements to the Central Park courts. Specifically, the District intends to construct two new fenced pickleball courts, make improvements to the existing full-sized basketball court, construct a new ½ basketball court, improve the drainage around the existing tennis court, and construct additional shade and seating opportunities around the improved court areas. An illustration of the planned court improvements can be found below, and any questions may be directed to Casey Lekahal at [clekahal@wbapc.com](mailto:clekahal@wbapc.com). Thank you.

## Court Area Master Plan Central Park at The Farm
