Community Update – Central Park is Now Completely Open!

The Central Park pickleball courts, basketball courts, tennis courts and restroom are now completely open for use! The restroom is on an automatic timer, and will be closed from 10:00 PM to 6:00 AM. The contractor will return later this spring to apply court surfacing to the pickleball and basketball courts, make certain irrigation repairs, and install the remaining plantings.

The design of Central Park Phase II, which will include upgrades to the Central Park playground equipment, is currently underway.

We hope you enjoy your new courts and restroom, and we sincerely appreciate your patience throughout this process.

An illustration of the court improvements can be found below, and any questions may be directed to Casey Lekahal at clekahal@wbapc.com.

Court Area Master Plan Central Park at The Farm
